## What to Expect in the Summer Preschool Program

**Our preschool opens at 6:30 a.m. If your child is being dropped off earlier than 8:15 a.m., you may drop him/her off in room 104. After this time, you may drop off your child in their designated classroom. Please make sure you walk your child into the classroom to inform the attending staff/teacher your child is ready for school! Please remember to sign in your child at the table by the gate.**

- **Please be informed your child may be moved to a different classroom during the summer program due to age and time of your summer enrollment. A roster will be sent home.**
- **Breakfast/Lunch** We encourage for all children to eat breakfast prior to coming to school. It is important in a child's development to have a healthy meal to begin their day! If your child arrives before to 8:00 a.m., parents may send their breakfast to enjoy at school. It is school policy to only send balanced and nutritious foods for breakfast and lunch.

### PLEASE DO NOT SEND:

Cookies, pastries, sugary cereal, or donuts for breakfast

Large bags of chips- small bags are fine

Fruit punch-Only 100% juice, milk, or bottled water

- There is no hot lunch service in the summer. Emergency lunches are available for \$5.00 if you should forget your child's lunch. Please always put an ice pack in your child's lunchbox. Warm-ups from home should take no longer than 1 min in the

microwave. DO NOT SEND FOOD IN CANS (Chef Boy-R-Dee) and frozen meals.

This includes items such as instant mac n cheese or Cup O' Noodles that require water or heating of 2-5 min.

- Every **Tuesday/Friday** is **WATER DAY!** Please make sure your child has the following: **trunks/or swimsuit, towel, water shoes or sandals with a back strap (No flip-flops) and extra clothes! EVERYTHING SHOULD BE LABELED WITH YOUR CHILD'S NAME!**

- We ask that all children attending in the summer bring an insulated water bottle from home to be used daily.

- **We are requesting for all parents to apply insect repellent and sunscreen** especially on designated "Water Days" on your child during the summer. The incidents of bug bites, bee stings, and mosquito bites are always higher in the summer, thus we want to keep our students safe!
